

Coventry Scouting Inspires Week 14-21 April

During this week in the Easter school holidays we are looking to have a city wide campaign to advertise Scouting in Coventry.

The aim of the week is more than just a recruitment exercise. It is aimed at getting Scouting in Coventry better known. If members of the public know the impact scouting makes on the young people, then when we seek support, we are all in a better position. Yes, we want more help and we want more members, as the more members we have the better position we are in when requesting grant aid etc.

From March 14th to 17th, the Coventry Scout Gang Show will be performing at the Belgrade Theatre.

Around this time we intend to advertise Coventry Scouting on several of the bus routes.

We are looking for a shop in the central area and other areas of the city to display Scouting in Coventry for the week. If a suitable one is found in the city centre, we hope to man the shop(s) to answer questions and to provide activities for young people.

We are producing some posters to be placed in libraries, community centres, shops etc. during the run up to this week.

We will also ensure that the media is informed of all that we are doing.

What can you do?

- If you have an event during this week, then please advertise it to your local community.
- Please let Chris Sherlock know what you have planned chriss224@tiscali.co.uk or Mob: 07906 904 847.
- You can request posters to put in in your local areas.
- Volunteer to spend a spare hour or so to help in the central shop
- Anything else that enhances and advertises the impact of Scouting on young people.
