

## City of Coventry Scout County

Dear Parents/Guardians

Scouting is growing, especially in Bablake Scout District. The Scout District, the people who support the local Scout Groups where your child/children go to, is seeking someone with energy and enthusiasm to lead them in the role of District Commissioner.

The District Commissioner is the volunteer manager who ensures all scout groups are supported so that the young people get the best quality scouting they can.

So, how can you help?

We are looking for someone who wants to make a difference in their local community, someone who has enthusiasm and enjoys working with adults.

Do you know someone who has the ability to motivate others?

Do you know someone who can help Bablake Scout District continue to grow so that more young people get the opportunity to have the advantage and fun of Scouting?

Are you interested in finding out more?

What's in it for them?

They will know that they are making a real difference to local Young People by ensuring the quality of their scouting is high. They will be working with a team of adults to ensure events are safe and well planned.

The skills used as a District Commissioner can enhance personal CVs and can be a great way to demonstrate practise of those skills to prospective employers.

Could this person be you? Or do you know someone who could be suitable?

Know nothing, or little about Scouting? That's no problem. Scouting has a fantastic training scheme that can lead to certified OCN qualification and the members of Coventry Scout County are there to give any necessary support and guidance.

### **Why is this so important to the young people in Bablake District?**

Bablake District has some amazing and hard working people providing Scouting in the groups and sections at a local level. These are ordinary people who together can make extraordinary things happen. Helping these leaders perform to their best takes support and guidance from an inspiring leader, with the skills to do it. We now need your support in finding the right person to inspire, motivate and encourage others.
