

# ACTIVITY TEAM EVENT

## Terrain Two Training

**If you would like the opportunity to find out more about the additional skills required for Terrain Two, then why not join qualified instructors from the County Activity Team on an introduction to Terrain Two Day.**

The training programme, will take the format of an evening session discussing equipment, clothing, ropework etc; followed by a practical days training (weather permitting) in the hills.

The practical training will most probably be carried out in Snowdonia.

This course is intended to appeal to those who may have been on previous training courses and are comfortable in Terrain Two environments. A reasonable level of fitness would be beneficial.

### Equipment

Participants will require personal clothing and equipment suitable for the Terrain Two environment, although all technical equipment will be provided.

### The cost

This will be the transport costs of getting to and from Snowdonia - most probably in the region of £10 per person (fuel prices depending).

Anybody who is interested or would like some further information, please contact:

Colin James - ACC Activities on 02476 405331  
or Andy Jackson - Assistant County Mountain Activities Advisor on 02476 644095.

**If you know of anybody who may be interested, please pass on this information.**
