

Situations Vacant

A lot of groups need additional leaders. The Development team is going to keep a situations vacant index where you can advertise your requirements. When the team is at fetes, festivals etc. we might be able to recruit the right leaders for you. The team will also have information on how you might be able to recruit your own leaders. It is vital that this information is up to date so that enquiries can be directed to the most appropriate place in the quickest possible time. Please ensure you keep the recruitment team is kept up to date even if you do not need any new leaders or young people! If you are full then time can be wasted trying to contact you only to find out that you do not have a vacancy!

It isn't only groups that require leaders, the county is also looking at re-enforcing the County Team by appointing Assistant County Commissioners where needed. These jobs will suit leaders who find it difficult to commit to one section regularly and would wish to still keep an involvement with young people.

Lottery License

If you are thinking of running a lottery or any other type of competition that falls within the scope of needing a lottery license then please remember the county holds a license that can be used by all. This will save you the expense of applying for a license. Please contact Dave Atkin for more details on b4dja@hotmail.com

New/revised factsheet

We all like to take photographs of our young people especially when they are enjoying themselves. A revised fact sheet is available as a download from headquarters. A copy is available on this website – go to county news and info page and follow the link to FS295428

St Georges Day 2010

If you would like to be involved in the planning of St Georges Day Parade for 2010 then please contact the County Commissioner. A planning meeting is scheduled for November 24th. It is hoped that there will be representatives from each of the three districts at this meeting ensuring the thoughts of all leaders can be considered.
